

AATF Convention Delegate Support Grant

\$100 (2 grants)*

To encourage chapter members to participate more frequently in the annual national convention of the AATF, the KS-AATF chapter will offer up to two \$100 support grants per year to any member who agrees to attend the national AATF convention and will represent the chapter as a convention delegate. Recipients must attend the Delegate Assembly that takes place during one of the afternoon sessions of the convention. (This is a three-hour meeting during which time the national President and Executive Committee present the annual report, which may include recommendations and motions pertaining to AATF matters for discussion and vote by the Delegate Assembly).

The grant must be used to cover in part the AATF convention registration fee and will be awarded in the form of a reimbursement once a copy of the registration receipt is forwarded to the KS-AATF Secretary/Treasurer. (Note: The paid registration receipt is given to attendees in their packets upon arrival at the convention).

*If only one person applies for the Delegate Support Grant, then a \$200 grant may be awarded to one person.

To apply for this grant:

Please contact the KS-AATF President via email between Jan 15 and April 15 of your interest in serving as a chapter delegate at the upcoming national AATF convention (the convention takes place in July of each year). Awardees will be notified by April 30th.

Diane Fourny (chapter President): drfourny@gmail.com

Please let us know the most recent year you attended a national AATF convention (if ever). The Executive Committee will collect the names and rank applicants giving priority in the following order: (1) first-time attendees; (2) applicants who have not attended a convention in the last five years or more; (3) officers (other than the President).

If delegates have not been found by April 1st then a second call for delegates will be sent to the membership and a new application period will be open to find delegates on a first-come, first-serve basis.

Note: The convention registration fee is currently \$350, however, Early Bird Registration rate for Delegates is \$250 (when registering online, select the “Delegate option online). In other words, for someone planning ahead, if awarded a Delegate Grant from the chapter, the registration fee becomes only \$150. (Early Bird Registration deadline is May 15th).
